

Tonbridge Town Sailing Club Ltd

2025 CLUB DUTIES

PLEASE READ THESE INSTRUCTIONS BEFORE YOU COMPLETE THE FORM OVERLEAF

1. **Duties:** Tonbridge Town Sailing Club (TTSC) is run solely by its members, and all members are expected to carry out one Saturday afternoon duty & one all-day Sunday duty per year. Please see the website for information on the scope of the duties. Further instruction is available for anyone who requires it, please ask a committee member.
2. **Race Officers:** Any member who takes part in the published races will also be asked to help the running of races by acting as Race Officer or Assistant RO on two occasions per year (this does not apply to Novice racers in their first year). Instruction is available to anyone who requires it. Any non-racers who would like to help in the race box would also be more than welcome.
3. **Dutyman:** TTSC uses “Dutyman” software to assist with the management of duties. You will be given details of how to gain access to the Dutyman software and members are encouraged to log on and select the duties & dates that they prefer **or alternatively** you can send your preferred dates to the Sailing Secretary who will enter them for you. **Members who do not select their own duties will be allocated duties by the Sailing Secretary & they must then ensure that they are happy with the dates allocated or change the dates via the Dutyman portal.** Please do not expect the Sailing Secretary to find replacement cover if you are unable to carry out a duty, it is your responsibility.
4. A copy of the 2025 TTSC calendar is available on the Club’s website, showing the dates when the club will be open.
5. The club cannot open unless there is a Safety Officer and an Officer of the Day present to assist the Safety Officer, and so the priority is to fill these posts first.
6. The Sailing Secretary’s email address is: **ttscduties@outlook.com**
